

BOXER

Seamless Gutters

Boxer Seamless Gutters LLC warrants, on said property, all labor for 5 years and materials for 20 years (see separate manufacturers materials warranty). We warranty the products used on the property will not fail. The exclusions of this warranty are structural defects and/or structural settling or movement. Acts of God, damage caused by outside sources, and/or unmaintained gutters void the warranty. Any claim hereunder not presented to Boxer Seamless Gutters LLC during the specified time period, will discharge Boxer Seamless Gutters LLC from any responsibility or obligation under this warranty. If after inspection, Boxer Seamless Gutters LLC determines the condition of the claim is covered under this warranty, Boxer Seamless Gutters LLC will provide sufficient material and labor to properly repair the said area(s). The foregoing shall be the only remedy for the property covered. The supplying of all replacement material and labor will not extend the warranty; however, the remaining warranty period shall continue and be applicable to the repaired or replaced areas under the conditions of this warranty. This warranty may be transferred to new property owner. Warranty Period shall mean the 20 year (materials) and 5 year (labor) period commencing on the date reflected below, and both the homeowner and Boxer Seamless Gutters LLC have signed.
